Our school’s Peer Support SMILE Program was the focus of a recent Youth Mental Health and Wellbeing Network meeting. About 40 local mental health professionals and those working with young people gathered together and listened attentively as five of our SMILE mentors, alongside staff, spoke about their experiences and opinions regarding SMILE. Maddison Weiss, Brittany Kashayev, Ben Osborn, Maddison Sadler and Zac Donelly all spoke passionately and professionally to the crowd of interested community members.

These enthusiastic SMILE mentors formed a panel with Woolgoolga High staff Ian Cook, Alison Fenton, Chris Black and Guy Wright to answer questions about how the SMILE Program works and the reasons why it’s so successful. Associate Professor, John Hurley, from Southern Cross University was in attendance and presented his positive findings of SMILE. This research report demonstrates clearly that SMILE is successful in improving student wellbeing within our school on a number of fronts.

Congratulations to all those involved with SMILE! It is a fantastic program run by caring and passionate students and supported by staff and community organisations.

Alison Fenton
(Student Support Officer)
From the Principal's Desk

Our SMILE program has once again been placed in the community spotlight. As outlined on the front page of this newsletter our students Maddy Weiss, Brittany Kashayev, Ben Osborn, Maddy Sadler and Zac Donnelly showcased our well known SMILE (student led, student initiated) student welfare program, to 40 local health professionals.

There was a hum of excitement from the professionals as they questioned our students and staff about the program. Associate Professor John Hurley from Southern Cross University is to be congratulated on his presentation of his first hand research of our program. His conclusions about the positive impact the program is having in our school were highlighted to the health professionals. We are very lucky to have such an involved university in our local area.

Our Careers day held last Wednesday was an outstanding event. All 160 Year 10 students had the opportunity to talk with, listen to, receive presentation from, and ask questions of the 45 employers and business professionals from the Woolgoolga district, and wider afield. Thank you to all of the business presenters who gave freely of their time to help give information, direction and motivation to our Year 10 students.

The Woolgoolga Chamber of Commerce is also to be congratulated on organising this event. Ray Willing and Alastair Milroy, in particular, have given an enormous amount of time in gathering and encouraging the many presenters who participated. A thank you should also go to our staff members—Careers Adviser, Jeff Allen, Megan Hart and Julie-Anne Chivers for their organisation at the school level. The event ran like clockwork and both presenters and students gained a great deal from the event.

Congratulations to the 29 students who came 2nd in the regional Annual Science and Engineering Challenge. They travelled to Kempsey on May 7th, and as the pictures found later in this newsletter show, they did have some challenges. Mr Dalton, our head teacher Science, wants to have a similar event at Woolgoolga High School next year. Thanks to Mrs Dorahy for her efforts in helping with this competition.

Congratulations also to Jai Johnson, Zane Keighran, Corey Williams and Sam Brown on their impressive efforts at the Regional Surfing Competition. Similarly, congratulations to our U/15 boys and girls soccer teams who now progress on to the next round in the soccer knockout competition. Congratulations also to Jessie Gentle for her outstanding representation of Woolgoogs High School at the recent CHS Soccer carnival. Jessie scored 3 goals and once again was selected into the CHS (State) shadow team.

The school cross country was a wet and muddy event. Thanks to all staff and students who made the event a success, although it was wet it was a great day! More information to follow in this newsletter. Good luck to all zone competitors next Monday.

NAPLAN testing occurred this week and from all accounts our students were quite happy with their performance.

Our canteen’s new menu is a big hit with both students and staff. I have heard nothing but positive comments about the quality and new pricing of the food. The new menu is on our website [http://www.woolgoolga-h.schools.nsw.edu.au/documents/21717034/21724205/Canteen%20price%20list.pdf](http://www.woolgoolga-h.schools.nsw.edu.au/documents/21717034/21724205/Canteen%20price%20list.pdf).

Kris Oates, our head teacher TAS, travelled to Sydney last week to work with Microsoft and senior Department officials on the new implementation of Office 365. Our school, both staff and students, have access to Office 365 and soon it will be rolled out to all students across the state. This is a great professional development opportunity for Kris and he is already up skilling staff in his new knowledge. Students can download one copy of Microsoft Office for their BYOD devices — see our website for details [http://www.woolgoolga-h.schools.nsw.edu.au/parent-information/bring-your-own-device](http://www.woolgoolga-h.schools.nsw.edu.au/parent-information/bring-your-own-device).

Until next time
Guy Wright
Principal
IMPORTANT COMING EVENTS

Tue 20—Wed 21 May  Athletic Carnival
Thurs 22 May  Vaccinations—Year 7
Thurs 22 May  Disco
Fri 23 May  Vaccinations—Year 9 boys
May 29—June 5  Year 11 Half Yearly exams

The WHS P & C meets on the second Tuesday of every month at 6.30pm

VACCINATIONS— Term 2
Year 7 male & female students—22nd May 2014
♦ Gardasil (HPV) Dose 2
♦ Varicella (chicken pox)
♦ Boostrix & HPV—catch ups if required

Year 9 boys only—23rd May 2014
♦ Gardasil Dose 2

Parents with any questions or concerns can ring Bernadette at the Public Health Unit on 66 207503.

Australian Mathematics Competition
If you are good at Maths and like problem solving then this is the competition for you.
Do you like yummy food as well as several merits and the company of mathematically capable people? Then this is a competition for you.
Don’t miss out by collecting a registration form from the Mathematics Staffroom or from your Mathematics teacher ASAP.

Students’ Photographs
There are many occasions where we would like to publish photographs of students involved in various school activities, including reports for the local papers, school newsletters, and the annual report and on our school website.
If you do not wish your child’s photograph to be used for these purposes, please notify the school in writing.

Web address: www.woolgoolga-h.schools.nsw.edu.au
E-mail: woolgoolga-h.school@det.nsw.edu.au
Excluded from Woolgoolga High School - school discos

Any student who has received a SUSPENSION WARNING is excluded from the disco for the school term of that warning.

Any student who has been SUSPENDED from school is excluded from the disco for 6 calendar months from the date of that suspension.

Any student who continually refuses to wear UNIFORM, has been notified at least three times, and receives a uniform letter, is excluded from the disco for the school term of that letter.

Any student who TRUANTS twice is excluded from the disco for the school term of the second truancy and the next school term.

Mr Henderson-Deputy Principal

STOP PRESS!!

Interested in your child's education?

Have two hours per month to learn more about happenings at Woolgoolga High School?

Join our P&C Association as they meet each second Tuesday of the month (at 6:30pm) and contribute to your child's education.

- Have your say or listen to others' ideas.
- Woolgoolga High School P&C still need a Treasurer and Secretary for 2014. Assistance will be given to start you off.
- There will be no major fundraisers or finances to cover for Treasurer and the Secretary may use a standardised pro forma (if required) to keep minutes.
- We need you.
The Annual Science and Engineering Challenge presented by the University of Newcastle was held at Kempsey High School on May 7, 2014. Twenty nine students from Woolgoolga High School participated in the event.

The activities required problem solving skills, determination and teamwork. The students from Woolgoolga High worked very well as a team and learnt how to overcome adversity when tackling very challenging problems.

Woolgoolga High came 2nd in the regional competition and all participants should be congratulated for their efforts.

We would also like to thank Ms Johnson and Mr McDonald for their attendance and support on the day.
2014 Careers Day a success!

On Wednesday 14th May, 160 students from Year 10 at Woolgoolga High School and 45 members of the Woolgoolga and Northern Beaches business community participated in the 2014 Careers Day. Feedback from presenters and students for this massive event in the school calendar was extremely positive, with all enjoying the 55 sessions organised for the afternoon. Each of the 30 minute sessions catered for an extensive variety of business and career information, with the opportunity for future connections between students and businesses. Students are yet again looking forward to using these connections to organise their next round of Work Experience scheduled for the last week of this term. As many as 141 Year 10 students participated in last term’s Work Experience, with all of these experiences leading to students making a more informed decision surrounding their subject selections to be held later in the year, prior to them commencing their senior schooling.

Photos L-R:

• Principal Mr Guy Wright addresses presenters and members of the Northern Beaches and Woolgoolga Chamber of Commerce and business community in preparation for the 2014 Careers Day.
• Year 12 Hospitality students Kirah and Hayden with teacher Ms Woodward provided quality catering for the afternoon.
• Dr Kramer and Janette Lee present the Medicine/Surgeon talk.
• Dr Anna Scott at the interactive Marine Biology seminar.
• Ex-student Matt Adams presents the Information Technology seminar in Computer Room 1.
• Shaun Lawer from Coffs City Council presenting the Engineering Roads talk.
• Sargeant Tricia Reynolds and Corporal James Burrell at the Defence talk.
• Physiotherapist Aaron Hardaker captured his audience effectively.
• Katelyn McDonald engaged in conversation with Architect Oliver Gee.
Photos L-R:

- Emma Shaw in her Beautician presentation.
- Michael Featherstone enthralling students in the Veterinarian session.
- Martin van Veluwen entertaining students in the Musician and Sound Engineering presentation.
- One of the Year 10s checking the organisation spreadsheet before heading to session 3.
- Paramedic John Alford.
- Youth Liaison Officer Jo Brooker fascinated students with a wide variety of information about joining the Police Force.
- Joe Fallon from Rustic Table sharing his wealth of knowledge at the Chef session held in Kitchen 2.
- Gary Maher (Headspace) and Mr Paul Young (WHS) at the Counselor/Psychologist seminar.
- Training Manager Ingrid Hughes from ETC speaking about traineeships and apprenticeships to her captive audience.
- Woolgoolga High School Careers Day Co-organiser Mrs Julie-Anne Chivers reflecting with students on the success of the day after presenting the K-12 Teaching talk.
- Some of the session three presenters being congratulated in the Forum by grateful Year 10 students in attendance. Well done to all!
Well done Chloe Molan in Year 7! 6th Best BMX Rider in Australia!!!

Chloe is a regular rider involved with Grafton BMX club training two nights a week and competing weekly. She participated at the national Titles in Shepparton, Victoria which run over 3 days earlier in May.

Riding against 28 of the best in the country, Chloe made it through her 3 heats and a semi final to earn a place in the final, coming in overall at 6th place. An outstanding result.

We look forward to supporting you in your future with your riding.

Congratulations Chloe!!
On Thursday the 1st of May I took four boys from Woolgoolga High School to Forster for the Regional Surfing Competition, which was held at Boomerang Beach; Jai Johnson, Zane Keighran, Corey Williams and Sam Browne. After arriving on Wednesday afternoon, we unpacked and raced down to Boomerang for an afternoon surf. We had perfect conditions but unfortunately the surf was quite small. We were all worried that the surf would be too small on the following day!

We woke the following morning at 5.45am, ate breakfast, and packed the car, headed to One Mile Beach where we were directed to go to Boomerang Beach further south. We arrived to perfect conditions on the beach. A nice off shore south west breeze and perfect 2 to 4 foot waves. The boys were excited and didn’t waste any time getting out amongst it before competing.

Corey’s heat was first up and although he got some good waves in the heat, he didn’t progress through to the next one. Jai and Zane unfortunately had a similar fate in their first heats too. They both selected some good waves, but were unable to progress through to the second round.

Sam fared better on the day and he progressed through a few rounds to make it to the semi-finals. Conditions deteriorated as the day progressed and in the semi-final the waves didn’t go Sam’s way and he was outscored finishing 3rd I think.

I would just like to say that I am really proud of all the boys and their efforts on the day. They were all surfing in older age divisions and against really good surfers from the region. Furthermore, the boys were gracious in defeat and they were all really well behaved over the two days.

Fingers crossed we have more success next year.

Mr Robins
U/15 Boys Soccer
Win
Hard Fought Game

Our U/15 boys soccer team had a great 2-0 win over John Paul College on Friday 9 May at the High Street fields in Woolgoolga.

After a shaky start in which we didn't touch the ball for the first 3 minutes the boys regained their composure and started to dominate play with Corey Williams breaking away and scoring at the 6 minute mark. He did it again at 20 minutes after some outstanding lead-up work and we went to the break with a 2-0 lead against the wind. John Paul had many scoring opportunities in the first half but these were snuffed out by brilliant goalkeeping by Jordan Constable-Love, backed up with sound defence from Addisen Mallett, Bailey White, Codey Johnston and Declan Finn.

In the second half the defence and midfield stepped up a gear and ran hard for the full 30 minutes to keep the opposition out. More goals might have come but for some unlucky bounces and near misses. Jordan pulled off some more incredible saves and kept a clean sheet, earning himself man-of-the-match honours.

All round, a gutsy effort from the whole team and a well-deserved win. Next game is in Grafton.

A big thank you to Megan Hart who helped out with transport.

John Morgan, Coach

A convincing 7-0 victory for U/15 Girls Soccer!

Last Wednesday, 7th of May, the under 15 girls school soccer team competed in round 2 of the Bill Turner Trophy against Orara High School.

The first goal came in the 15th minute when Jade Eggar placed a through ball to a speedy Tanisha Wallace who slotted the ball past the keeper.

The next goal came only 5 minutes later when Innogen Armitage made an accurate free kick straight to Jade who took on her defender and crossed the ball back to Chelsea Mallett to score an impressive second goal.

The third goal came in the 25th minute when Jade yet again crossed a brilliant ball to Chelsea who scored from the top of the box, taking the team into the halftime break 3 nil up. The second half started slow but in the 13th minute of the half there was a scramble in front of Orara’s goal, leaving Chelsea to walk away with a hat trick, and the team to fire up.

Only 2 minutes later Tanisha decided to show Orara her skills when she skinned the Orara defence down the right wing, bringing the ball back in to score with ease.

With 10 minutes left in the game Sophie Buller came out of the goal to have a run, taking a corner in the 25th minute and getting Tanisha her 3rd goal for the game.

The final goal came in the last minute of the game when Sophie took a brilliant free kick, spotting Jade free out on the right wing. Jade controlled the ball and took the shot to give Woolgoolga High a 7-0 victory.

The entire team made an impressive effort to come away with a 7-0 victory, the back line Gabi Dowler, Aleisha Bradbury, Abby Nudd and Aimee Carr held strong, stopping the Orara girls from getting any chance to shoot. While Innogen Armitage, Zoe Batty, Mia Windred and Jordon Henderson-Smith carved up the midfield to help the girls up front dominate!

Congratulations girls, you played a great game and came away with the victory. Looking forward to the next match.

Kayla McIntosh
Congratulations to 2014 Cross Country Age Champions

(L-R back) Awal Bol Maker, Isaiah Koopmans, Lachlan McPherson, Keelan Birch, Jessica Gentle, Sports Organiser Ms Melissa Hyder
(Absent from photo Gemma Hutchinson, Jasmin Adams and Callum McPherson)

Reminder to senior students

♦ When driving to and from school you will need to complete the ‘Conditions for Application for Student Drivers’ form. This can be obtained from your year Deputy Principal.

♦ All senior students are to remain on school premises for the entire day. Those wishing to leave at recess or lunch time will need prior permission.

♦ Flexible leave passes are for students who have no timetabled classes for the beginning or end of the school day. Applications are available from your Deputy Principal.

♦ All senior students with unscheduled classes are expected to study in the ‘Senior Area’ in the Library.
Is your child’s backpack damaging their spine?

A recent Australian study has shown that approximately 25% of school-aged children suffer from back and/or neck pain at any one time. It’s believed to be due to a combination of factors such as poor posture, everyday load carrying and the use of computers.

The Children’s Hospital at Westmead suggests young people should:

- not carry more than 10% of their body weight
- use a backpack with the straps over both shoulders and a waist strap
- load gear so that the heavier objects are nearer to the spine, with the lighter objects towards the front of the pack
- lift a backpack properly—bend at the knees and lift the pack with both hands

English refresher from School A to Z on Homonyms

Homonyms (also known as homographs) are words that are identical in pronunciation and spelling but have different meanings. They can be nouns, adjectives or verbs. The context gives them their meaning.

Ask your child for an example, like this one:

I prefer a fine tip on my pen.
He gave me a tip for the Melbourne Cup.
Don’t tip the water on the floor.
You gave the waiter a generous tip.

Kids, social media and privacy

Regardless of your child’s age, the world may already know a lot more about them than you suspect. According to recent research:

- 92% of children under the age of 2 have a digital shadow (- it starts with proud parents posting newborn baby photos on Facebook or Instagram)
- a quarter of Australian children 8 - 12 years old use Facebook, but the minimum age for a user is 13 years.
- more than 20 per cent of tweens publish photos of themselves on Instagram
- young people 14 - 19 have an average of 453 fans, friends or followers on social media.

2014 Privacy Awareness Week, 4 - 10 May 2014, is a good time to review your family’s privacy settings and discuss online security. You’ll find lots of practical information and resources to share with your kids at [www.ipc.nsw.gov.au](http://www.ipc.nsw.gov.au)
Canteen—Eat Fresh

See menu with price list on the school’s website:

Simply "Clip & Flip"
MAKE YOURSELF IDENTITY THEFT PROOF!

Ever considered how many passwords, PIN numbers, user IDs and other forms of identification you have? More importantly, are they secure?

John Becker, Chief Information Security Officer at the Australian Taxation Office (ATO), says Privacy Awareness Week is a great opportunity to make sure you’re identity theft proof.

“These days identity thieves can use stolen ID’s to access your bank account or credit card, steal your superannuation, sell you property or commit fraud and other offences.

“Remember you can wear the blame and the expense. It can be a long and expensive process proving you’re not to blame and getting your identity back.”

“Getting your Tax File Number (TFN) in particular is solid gold for fraudsters.” So John warns keeping your TFN, PINs or passwords in your mobile phone, tablet or wallet makes you an easy target.

“It helps get them into your tax, your super, your bank accounts, so only give it to us, your super fund, bank or other financial institution...organisations that need it and you can trust.

“Letting someone use your TFN or using someone else’s are also serious crimes carrying heavy penalties. Be wary of emails, texts or phone calls asking you to “confirm” your TFN or asking you for bank account details as these could be scams.”

Family Relationship Skills Program

A free workshop to support parents get strong after difficult times.

Woolgoolga Neighbourhood Centre

3 Mondays * 19th, 26th May & 2nd June * 10.00am—1.00pm

Contact FRSP 6642 7257—bookings essential.

The Family Relationship Skills Program is funded by the Federal Government and aims to reduce the levels of stress experienced within families.
This program donates a percentage of the money spent by customers to their nominated club, school or charity. Many schools and charities are receiving over $1000 every month. By shopping at Ritchies’ Coffs Harbour IGA, you can help our school and benefit students. Ritchies’ Community Benefit Card saves you money and helps your favourite organisation at the same time.

**RITCHIES COMMUNITY BENEFIT CARD PROGRAM**

Woolgoolga High School Silver Awards are generously supported by:

**EAGLE BOYS PIZZA**
Fawcett Street, Woolgoolga
Phone 13 14 33 or 6654 9433

**MCDONALDS**
